

## The Ṣaḥābah ﷺ that Embraced Islām from Judaism

All praise is for Allāh Ta'ālā who guides the creation to the path leading to Jannah. May His choicest benedictions and salutations be upon our blessed leader, Sayyidunā Muḥammad Rasūlullāh ṣallallāhu 'alayhi wa sallam, his illustrious family and magnificent companions.

This is a list of the noble Ṣaḥābah ﷺ (male and female) that embraced Islām from Judaism. We have compiled this list for multiple reasons; to show the world that the doors of guidance to Islām are open to one and all, even those who bear severe enmity towards Islām and Muslims. Secondly, there are many great Ṣaḥābah ﷺ who we have no idea about at all. Hence, it is essential to acquaint ourselves with at least their names. Thirdly, the Jews of the world today must understand and realize that a significant contribution to the religion of Islām was done by Ṣaḥābah ﷺ that embraced Islām from Judaism. Just as they saw the truth at that time, the Jews today must also see the truth and embrace Islām.

The source for this work is *Nathr-ul-Wurūd bi Asmā' Aṣ-Ṣaḥābah Al-Ladhīna Aslamū min Al-Yahūd* by Ibrāhīm bin Fahd bin Ibrāhīm Al-Wad'ān 1440 AH.

May Allāh ﷻ accept this brief work for His pleasure, and may He grant us all the love of all the illustrious Ṣaḥābah ﷺ. May He save us from the filth of the Rawāfiḍ, and all those who befriend and sympathize with them.
